No.TT.2-1789/48 dated 23-7-48

Sir,

Sub: AGRICULTURE--Grow More Food Campaign--Erection of M.B. shed at Hospet--Temporarily requisitioned by the Collector for Fire Services and emergency grain storage--Approval requested.

Ref: G.O.MS.2445 Development Department dated 22-6-46.

Copy at (A) page 154

(A)

In G.O. MS.2445 Dev. Dept. dated 22-6-46 Government sanctioned the erection of one M.B. shed at Hospet to provide storage accomodation for seeds, manures and other agricultural implements. The work at this centre is completed but the shed has not yet been taken over from the Contractor.

2. In the meanwhile the Collector had requisitioned from the Dist. Agricultural Officer, Bellary half this M.B. Shed for use as a fire station and the other half to be used as a grain godown to meet eventualities due to border troubles. The Dist. Agricultural Officer represented the matter to me and at the same time the Collector of Bellary himself addressed me in his D.O. dated 15-6-48, that in consideration of the grave emergency in the border areas, his request may be approved and the M.B. shed at Hospet handed over to the Revenue Department temporarily till he is able to secure permanent accommodation somewhere else.

3. In view of these circumstances I am instructing the District Agricultural Officer, Bellary to hand over the M.B. shed at Hospet temporarily to the Revenue Department perding Government approval . The actual date of handing over will be communicated to the Government, when full particulars in respect of this is received from the Dist. Agricultural Officer, Bellary. I request that Government may be pleased to approve of my above action.

No suitable building is secured so far to locate the service station at Hospet. The sub Collector Hospet reports that the only solution would therefore be either to continue the present arrangement or to construct necessary building for the purpos

It is not feasible to take up new construction at this stage. I shall try to secure a building as early as possible. In the above circumstances it is quite necessary to allow the existing arrangements to continue. I would therefore request that Government may be pleased to extend the period till 30-9-49 i.e., for a period of 6 months or until other arrangements are made for locating the fire station.

Pleasure

It is understood that the Fire Services at Hospet were previously located in the MB shed belonging to the Public Works Department.

2) I have already reported to Government in my TT-2-702/49 dated 11-4-49, the circumstances under which the MB shed is very badly required by the Department for protecting the stocks of seeds and manures from rains and as such the extension of time till 30-9-49 will be of considerable inconvenience to the department.

3) I, therefore, request that Government may be pleased to instruct the Collector of Bellary to vacate the Shed for the Fire Services by the end of June 1949, or as soon as alternate arrangements are completed, whichever is earlier.

SIR,

SUB: AGRICULTURE - Grow More Food Campaign - M B Shed erected at Hospet - temporarily transferred to Fire services - returning of -

Ref: Government Food and Agricultural Department memo 7536 M /50-1 dated 13/2/50.

...

The M.B. Shed erected at Hospet in Bellary district, by this department, to provide storage accommodation for seeds, manures and other agricultural implements, in connection with the Grow More Food campaign, was requisitioned by the Collector of ~~xxxxx~~ Bellary under emergency provisions, in June 1948, for a period of 6 months, to provide facilities for housing the Fire services. The Government approved of this in G.O. M.S. 4376 Development Department dated 24/8/48 and on further representation from this office regarding non-return of the M B Shed, vide this office T.T. 2/702/49 dated 11/4/49, the Government, in Development Department Memorandum, 128969-A.IV/48-7 dated 17/6/49 ordered that this M B Shed should be handed back to this department by the fire service Department, by the end of June 1949 the latest.

2. The M.B. Shed has not been handed back to this department so far.

3. The Department is experiencing considerable difficulty in the storage of large quantities of chemical manures received at this centre, which are otherwise liable to get spoilt.

4. I therefore request that the Government may be pleased to instruct the Collector not to delay this matter any further and to hand back the M B Shed to this department urgently.

- - -

In the memorandum cited above, Government directed that the question of getting the M B shed erected for the use of this department at Hospet in Bellary district and now used by the Fire Services retransferred to this Department, should be taken up with the Inspector General of Police and a report submitted in due course.

2. A copy of the letter from the Inspector General of Police (Fire Services Branch) to the Secretary to Government, Home Department requesting sanction for the erection of a temporary structure to house the Fire Services and for permission to retain the MB shed by him until such temporary structure is provided for, is enclosed for information of government.

3. As already indicated to Government in my letter TT-2-520/50 dated 29-4-50 this department is very much handicaped for want of this shed for the storage of the chemical manures, lest these may get spoiled.

4. I, therefore, request that the Inspector General of Police may be requested to vacate this shed without any further delay.

The Inspector General of Police (Fire Services Branch) Madras, has not so far handed over charge of this Department M.B. Shed at Hospet, as originally promised to Government in his letter No.6450-B1-49-11 dated 17.5.1950. Copy @ P414 (A)

I have already explained to Government in my previous references, the immediate need for this shed for the use of Departmental stocks.

This shed is now urgently required for storage of fertilisers, at present held by the clearing and forwarding agents, on and behalf at Madras which will have to be taken over before the end of this month, by which time the existing stocks also will have to be cleared. It is therefore absolutely necessary to secure adequate storage accomodation for these stocks to be taken over.

I therefore request that the Government may be pleased to instruct the Inspector General of Police to release this M.B.Shed to this department forthwith.

temporary

This Case deals with the loaning of the MB Shed at Hospet belonging to the Agl Dept to the Revenue Department.

In June 1948, the Coll of Bellary requisitioned the Shed for temporarily housing a grain Shop and the Fire Service for a period of six months. The Collector's action was ratified in Govt Ms no: (M) 4576 Rev dated 24-8-48. In Dec 48, the JDA reported that the Shed had not yet been handed over to the Agl Dept and requested that as the problem of proper storage of Agl Stores was becoming more and more difficult for want of the Shed, the Collector may be instructed to return the Shed at once. However in the circumstances stated by the Coll in his reference at page 15 of (R) the Govt ordered the retransfer of the Shed to the Agl Dept by the end of June 1949, or as soon as alternate arrangements are made to house the Fire Services, whichever is earlier. But the Shed has not been released as yet.

At the instance of the Coll of Bellary, the JDA was asked to take up the matter with the DG of Police and submit a report to the Govt on the action taken. The JDA has now reported that the DG of Police has since submitted proposals to Govt in the Home Dept for the erection of a temporary structure to house the Fire Services and has inquired permission to retain the Shed until the temporary structure becomes available for housing the Fire Services.

As the Agl Dept is experiencing great Storage difficulty for want of the Shed especially in regard to the storage of Chemical manures which will get spoilt without proper Storage, the JDA requests that the DG of Police may be instructed to release the Shed at once. The request of the Jt DA is obviously very urgent because the Shed which belongs to the Agl Dept which ought to have been vacated as far back as the latter half of June 1949 is still being retained by the Police Dept to the utter disadvantage of the Agl Dept and there is no point in putting the Agl Dept to loss for obliging the Police Dept.

The retention of the Shed by the Police Dept need not be permitted for any further period. The case may be sent to Home and that dept may be requested to instruct the D.G. to shift the fire services from the Shed immediately by moving the fire service elsewhere temporarily because the Chemical manures (held by the Agl dept) cannot be expected to keep in good condition until the Police Dept finds it convenient to quit the Shed.

From Home Dept note on p.2 above it would seem that the proposal of the DG for constructing a temporary structure to house the Fire Services has not yet been sanctioned and the completion of the structure is likely to take some time. Thus, should the MB need in question being handed over to the Govt at any time in the near future. It is for consideration whether the Govt will be approving the actual position or whether in view of the fact that the MB need is not likely to become available at an early date, they will be asked to make some temporary makeshift arrangement for storing the Govt records Stores to prevent their deterioration, until the MB premises is handed over.

Please see the letter in the C.F. the note thereon & the draft proposed to be issued on p/ante. It may be mentioned in this connection that sanction has been accorded in G.O No. HS 2912 P.W. dt 3.8.50 for the erection of a temporary fire station at Hospet. It has also been ordered in the same G.O that the Fire Services Dept. may continue to occupy the present shed in which the Fire Station is situated at present till the construction of the new building is completed. In the circumstances it is doubtful whether the Fire Services Branch would be in a position to hand over the M.B. Shed as urgently as asked by the Food & Agriculture Dept. However, there does not seem to be any objection to the issue of the Memo on p/ante

With these remarks the file may be returned to the Food & Agriculture Dept

Please see the Dept's, re the Fly Police, H.S. Branch on p3 C.F and the reply thereto on p5 C.F. With reference to 'B' on p5 C.F, it may be mentioned that in another file in this Dept wherein the question of enhancement of the budget allotment for buildings etc to meet the requirements of the Fire Services Branch is being considered the building of the Fire Station at Hospet has been included as an item of work to be taken up during the Current financial year & orders are being sought for inclusion of the amount required for the construction of the Fire Station. Orders are expected to issue shortly. ~~every attempt is being made to complete the work as early as possible and as such~~ the Food & Agriculture Dept may be requested to allow the Fire Services Dept to continue to use the M.B. Shed as a Fire Station till the Construction of the new Station is completed.

The file may be returned to the Food & Agriculture Dept
